

5774-01-AWZ (PC17354)  
Application No. 09/674,819

**REMARKS**

The Office communication mailed 10/31/2005 issued a "Notice of Non-Compliant Amendment (37 CFR 1.121)" regarding the amendment document filed on 02 September 2005. The amendment document at issue was filed after the receipt of the final Office Action mailed June 6, 2005 and was a submission for Request for Continued Examination (RCE) under 37 CFR §1.114. In the Remarks section of the amendment document Applicant indicated that claims 1-27 were cancelled; however, these claims were not included in the claims listing, which is the basis for the finding of non-compliance under 37 CFR 1.121. To bring the amendment document in compliance with 37 CFR 1.121, Applicant hereby submits the corrected section of the amendment document, which is a complete listing of all the claims, including claims 1-27. Because the non-compliant amendment document filed on 02 September 2005 was a submission for RCE under 37 CFR §1.114, Applicant is given one month (or 30 days, whichever is longer) from the mailing date of the Notice to supply the corrected section. This reply is filed within the given time period.

Respectfully submitted,
